

SMART GOALS:

Goal 1: Brand Awareness

Increase the Instagram follower count by 10–15% over the 3-week project period by posting at least 2 Reels and 5 high-quality content posts.

Goal 2: Audience Engagement

Improve engagement on Facebook and Instagram by encouraging interactions through educational content, product showcases, and audience-focused posts, aiming for an increase in likes, comments, shares, and saves during the project period.

Goal 3: Business Growth

Increase visibility and customer interest by promoting crochet products and tutorials consistently throughout the project, while monitoring custom order inquiries and profile visits as indicators of audience interest.
